into Action

There's a reason our university's
motto is "Experientia Docet,"
or experience teaches.

At San Francisco State University, we believe the best way for a student to learn is to jump in and take action. The moment you become a Gator, you'll be encouraged to speak up, step out and immerse yourself in all the opportunities that a San Francisco State University education can bring.

Located in what is often cited as America's best city for quality of life, the San Francisco State campus is situated on more than 144 acres in a quiet corner of southwestern San Francisco, just one mile from the Pacific Ocean.

Renowned for its vibrant arts, history and cuisine, the Bay Area is also a hub of international commerce. You'll find some of the nation's most famous and flourishing companies there, including Twitter, Pixar, Facebook and Salesforce.

And the city is celebrated for something else, too: a culture that's known the world over for its rebelliousness and forward-thinking. Whether you're looking at business, the creative arts or social justice, San Francisco is always at the forefront of innovation and change.

Discover

San Francisco State University is committed to helping you discover your unique path in life. We offer 72 degrees. Whatever you choose to study, you will learn from faculty experts who are dedicated to helping you develop your potential.

INNOVATION

Prefer to set trends rather than follow them? You’ve come to the right place. San Francisco State established the first international relations degree in the United States. Our Poetry Center and American Poetry Archives are the first of their kind, as is our College of Ethnic Studies.

LOVE OUR LIBRARY

The J. Paul Leonard Library is your academic home on campus. It houses more than 1.5 million titles offering a massive world of information to explore. With its 200 computer workstations, 24-hour study areas and coffee shop, you’ve got a place that will support your academic success.

PASSIONATE PROFESSORS

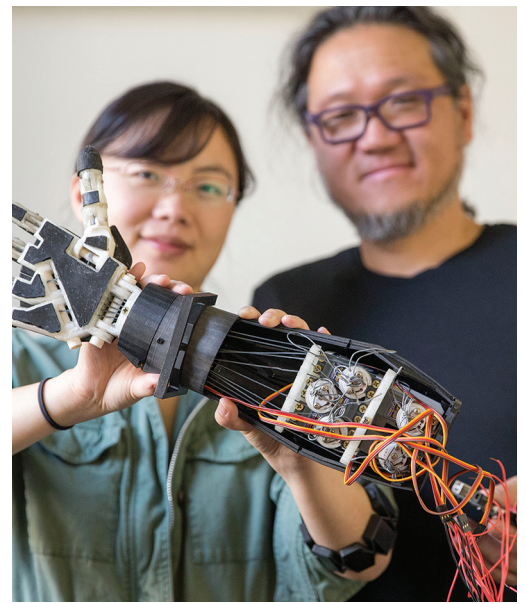

You’ll never receive more personal, one-on-one attention from your professors than at San Francisco State — they make a big school feel small. They are passionate leaders in their fields who understand not every student learns in the same way. San Francisco State’s 1,826 faculty are shaping the conversation in the arts, culture, technology, business, health care, education and science.

MAKE A DIFFERENCE

At San Francisco State you get credit for community service — in the cosmic sense and on your course transcript. We offer more than 500 courses that combine learning with volunteering in the Bay Area community.

JUMPSTART YOUR CAREER

Interested in jumpstarting your career? San Francisco State offers endless opportunities to explore internships, working with Bay Area professionals. Many of our academic departments offer credit-bearing internship courses, and our Institute for Civic and Community Engagement connects students with meaningful employment opportunities for academic credit.

College isn't all about academics. Whatever you're interested in, there's a University organization dedicated to it. Build your community among the more than 200 student groups, including the Gospel Gators, Model U.N., the Gaming Guild, the Cinema Collective, the International Business Society and many more.

Official student activities include workshops, career fairs, concerts, arts and culture events, spirit days and movie nights. And then there are all the amazing things your fellow students will be doing. Every year, you'll meet new Gator artists, musicians, entrepreneurs and activists, all of them sharing their passion with the community and their fellow students.

There's always something happening at SF State.

ELIGIBILITY REQUIREMENTS

- Graduate from high school (diploma or GED).
- Complete the required college preparatory courses (requirements A-G) with a grade of C- or better. *
(See A-G Requirements table)
- GPA: California resident or graduate of California high school: 2.5 or better
Non-California resident: 3.0 or better

**An applicant who does not meet the minimum GPA may be considered on other academic or personal attributes.*

ADVANCED PLACEMENT EXAMINATION

AP: Students may earn up to six semester units of baccalaureate credit for each Advanced Placement examination of the College Entrance Examination Board in which the applicant receives a score of 3, 4 or 5.

IB: International Baccalaureate courses designated as honors courses on the UC “A-G” list are awarded extra grade points for computation of the high school GPA. Students may earn up to six semester units of credit for each examination in which the applicant received a score of four or higher.

CLEP: Students may earn units of baccalaureate credit for College Level Entrance Program examinations which may be applied toward the degree and/or admission eligibility.

RECEIVING COLLEGE CREDIT

Baccalaureate-level courses taken in high school may be awarded transfer credit unless the college or university transcript designates that the courses were used solely to meet high school graduation requirements.

ACADEMIC READINESS

In order to increase equity and improve student success, the CSUs use multiple measures (test scores, GPAs, coursework, and in the case of writing placement, advising) to guide student placement into first-year math and English writing courses. Pathways are finalized after final high school transcripts are processed which can be viewed on the student center. The

Developmental Studies Office enhances student success and graduation rates by providing support in first-year English and math courses. More information available at developmentalstudies.sfsu.edu.

FIRST YEAR STUDENT RESOURCES

Metro College Success Program

The Metro College Success Program (Metro) is a support community helping historically underserved students succeed at SF State. Each Academy is a learning community of students with similar educational interests who take linked Metro classes that fulfill general education requirements. Support services include Metro coordinators, advisors, an academic resource center and tutors. Tutoring and advising is through Zoom, with scheduled appointments and posted drop-in hours. First-year students at SF State can apply at metro.sfsu.edu or email metro@sfsu.edu with any questions.

Advising Hub

An excellent resource for the undeclared and/or undecided majors. The Advising Hub is a one-stop-shop for advising needs for first semester students. Drop-in and scheduled appointments are available.

Educational Opportunity and Pathway Programs (EOPP)

Supports low-income, first-generation college students by providing ongoing advising, tutoring and workshops to help them succeed in their coursework and graduate. In addition, the Summer Bridge program helps students build community and smoothly transition into the university. To apply, complete the EOP supplemental questions on the Cal State Apply application.

First-Year Experience

In their transition to university life, first year students bring with them a foundation of rich personal identities and experiences. San Francisco State partners with students to build on those assets, creating an excellent foundation for future learning. Visit ueap.sfsu.edu/fye to learn more.

ELIGIBILITY REQUIREMENTS

- 2.0 GPA of all college transferable courses
- Be in good standing at last college/university attended
- Completion of the following requirements based on number of college transfer units (see *Eligibility Requirement table below*)

GENERAL EDUCATION (GE)

Upper division transfer students must have completed at least 30 semester units (45 quarter units) of GE courses. The subjects

listed must be completed with at least a C- or better.

- Oral Communication (Area A1):**
Public speaking course.
- Written Communication (Area A2):**
Freshman English composition course.
- Critical Thinking (Area A3):** Logic or critical thinking course.
(This area is met as part of the requirements of the engineering major.)
- Quantitative Reasoning (Area B4):**
Course that requires computational skills, mathematical or quantitative reasoning concepts to solve problems.

GRADE POINT AVERAGE (GPA)

A student must have a minimum overall GPA of 2.0. Applicants applying for an impacted major are offered admission based on overall space availability and may be held to a higher GPA standard.

RESOURCES FOR TRANSFER STUDENTS

Associate Degree for Transfer (ADT)

Students who earn an Associate Degree for Transfer (ADT) will receive admission to a CSU campus with junior status. Students who pursue a B.S. or B.A. by following an approved ADT pathway can complete the degree by taking no more than 60 units at SF State. Visit ueap.sfsu.edu/articulation/roadmaps for approved roadmaps. An ADT may also provide a GPA advantage when applying to an impacted major deemed similar.

California Promise

The California Promise program provides access to specialized advising and guaranteed course availability for students who maintain eligibility and are committed to graduating in a two-year time frame. Eligible transfer students* are invited to take the California Promise pledge early in the first semester. For more information about eligibility and participation, visit ueap.sfsu.edu/California-promise-program.

* earned an Associate Degree for Transfer (ADT) and declared in an approved pathway

Assist.org

Students can go to this site to verify transferable coursework and prerequisites for their intended major from a California community college to SF State.

Educational Opportunity and Pathway Programs (EOPP)

Supports low-income, first-generation college students by providing ongoing advising, tutoring and workshops to help them succeed in their coursework and graduate. In addition, the Summer Bridge program helps students build community and smoothly transition into the university. To apply, complete the EOP supplemental questions on the Cal State Apply application.

Impacted Majors

A major is designated impacted when the number of applications from fully eligible students exceeds the number of spaces available. Some majors require a supplemental application and additional requirements for consideration. Check future.sfsu.edu/impaction for details.
